# Introduction

## Company profile

We are a distinguished name founded in 2007 with remarkable reputation in Services of CCTV Security System and Closed Circuit TV with DVR (Digital Video Recording), we also dealing in Matrix Switchers and Multiplexers based products.

Our field of activities covers Closed Circuit Television with DVR Surveillance System, PC Based DVR Card, Stand-Alone DVR Card, Surveillance Board Lens Fixed Cameras, Dome Cameras, PAN/ TILT Zoom Lens Cameras, Day/ Night Vision Cameras, Scanners, C-mount Cameras, Indoor/ Outdoor Housings, and we are operational in these for the last four years. The vision is clear... To rise.... To succeed and spread. By virtue of our qualified dedicated professionals and dynamic approach to the matching market scenario, we have achieved dashing success. We also under-take AMC (annual maintenance contracts).

## Quality

We strive to meet the needs and expectations of our esteemed customers. This is achieved through our motivated and proactive family of employees committed towards innovation and continual improvement with efficient utilization of all resources and growth through reliable service, followed by total customer satisfaction.

Royal Enterprise believes in the philosophy that customer service is the only Key to success. At Royal Enterprise, we lay highest emphasis on the quality of our products, for this we understand that the customers are very intelligent and want complete value-for-money.

## Quality

Today, quick delivery, attentive after sales service & uncompromising quality are the main factors in winning customers, any where in the world. Thus, we ensure that all our products offer high degree of reliability & performance, even under extremely critical conditions. We have never compromised on service and quality. We have successfully achieved a high level of customer appreciation, resulting in long-lasting relations. Quality is the life support of our business and the fundamental responsibility of all our employees and management.

## Infrastructure

- > Team of well qualified professionals.
- > Resources for access to latest technology & related equipments.
- > To attend the client's problem within 24 hours of complaint.

Finest strength lies in its ability to provide turnkey solution with cost effective that are partial for customized applications. Its premium grade of services and quality, supported by a team of professionalism makes the company stronger ever.

Royal Enterprises Works on The Principles of ....

- > On time deliveries
- > Value added services
